Good Morning, Local 46 Family!

**This is an IMPORTANT update for the Inside Wire Unit:**

Your Negotiations Team thanks everyone who wore the blue shirts, new masks, and your other IBEW 46 shirts and swag yesterday! We had one of our BEST EVER Solidarity Shirt days in support of the Inside Wire negotiations! I would also like to thank all the Members who came to the General Meeting last night! We discussed a lot, and your support is powerful.

Today is day 10 of the cooling off period. As a result, we are negotiating all day today, and into the night, up to midnight if needed, to reach a Tentative Agreement.

**If you are NOT working on a PLA / CWA, military base, or Federal project, PLEASE take your tools and personal items HOME today. If an Agreement is reached, you can bring them back to work tomorrow.**

*Updates will go out ALL day to keep you posted.*

- The NEXT message will go out around 3:00 PM
- The following update will be around 5:00 PM
- After 5:00 PM, there will be a message go out to let you know EITHER we reached a Tentative Agreement (*pending ratification of the Membership*), OR what the next steps will.

**You will be notified by the Business Office if anything changes. If you have any questions, please call your Business Representative, or the Hall main number: 253-395-6500**

**Please continue to check the Local 46 website, your personal e-mail, and the 46 mobile app often today for updates.**

Solidarity Forever!
