Message #3

Good Evening, Local 46 Family!

**This is the THIRD negotiations update for the Inside Wire Unit:**

The process is ongoing, and we are making progress. A possible tentative is still possible, but it will be late tonight.

The next update will come when we conclude tonight. If we reach a Tentative Agreement, it will be pending ratification of the Membership.

*A reminder to ALL public sector Inside Wire workers: your jobs are not impacted by any potential work stoppage. Please plan to go to work tomorrow as normal.*

**Please continue to check the Local 46 website, your personal e-mail, and the Local 46 mobile app often today for updates.**

Thank you for your support, and I'll let you know the next steps.
